Key Risks: If you encash before 29th October 2029, capital security will not apply to the portion of your investment being encashed. The encashment amount may be more or less than the capital secure amount and you may lose some or all of the money you invest. Liquidity is only available in normal market and funding conditions. Current Irish taxation legislation does not allow for a clear categorisation of this product as being subject to Capital Gains Tax (CGT) and there is a risk an alternative taxation basis may apply. The return on your investment in this product may be affected by changes in currency exchange rates.

Counterparty/Credit Risk: Your capital is exposed to the credit risk of Goldman Sachs Group as the guarantor of the Certificate. If The Goldman Sachs Group defaults on its senior debt obligations you may suffer partial or full capital loss and potential return.

Please refer to the Brochure and Key Information Document (KID) for full details including key product risks.
