HOW THE DEPOSIT WORKS

The product producer of the BCP / Societe Generale 10 Year Deposit Bond (the "Deposit") is BCP Asset Management DAC, 71 Upper Leeson Street, Dublin 4, DO4 XK68.

Funds are placed in a fixed term deposit account at Societe Generale (the "Bank"), in the name of BCP. This account is a pooled Client Asset account in the name of BCP. The Deposit Interest earned will be paid to BCP on 6th October each year and passed on to Depositors by BCP.

- 0.40% Deposit Interest paid out at the end of years 1 and 2.
- 0.40% Deposit Interest paid out at the end of years 3 to 10 IF the Euro Stoxx 50 Index (the "Index") is equal to or above the initial valuation at the annual valuation dates.
- Memory feature means that if you miss an interest payment at the end of years 3 to 9, you get it back in future years as long as the Euro Stoxx 50 Index trades at or above the Initial Level on one of the future annual valuation dates.

SUITABILITY

The BCP / Societe Generale 10 Year Deposit Bond is not suitable for investors who require access to their capital before the maturity date on 29th September 2031. This investment is suitable for investors seeking 100% capital security at maturity, an investment term of 10 Years with 0.40% deposit interest paid out at the end of years 1 and 2 and the potential of an income at the end of years 3 to 10 that is higher than that generally currently available from Irish banks, in exchange

for the risk that no interest payment may be made at the end of years 3 to 10 should the Euro Stoxx 50 Index not perform in the manner required to trigger payment. Prior to the transfer of funds to the Bank and at maturity, investments will be held in a BCP pooled Client Asset account (funds held with AIB plc prior to commencement). Credit Unions should ensure any investment in this deposit does not exceed regulatory or internal investment limits.

DEPOSIT PERFORMANCE

Deposit Performance is the initial investment plus annual interest. Deposit Performance is provided by the Bank. In the event that the Bank fails to meet its

liabilities, you could lose some or all of your money. Your investment is not covered by any Deposit Guarantee Scheme.

SOCIETE GENERALE CREDIT RATINGS

Investors will be exposed to the creditworthiness of Societe Generale. The insolvency of Societe Generale may lead to a partial or total loss of your investment.

Societe Generale is a French credit institution (bank) that is authorised and supervised by the European Central Bank (ECB) and the Autorité de Contrôle

Prudentiel et de Résolution (ACPR) (the French Prudential Control and Resolution Authority) and regulated by the Autorité des marchés financiers (the French financial markets regulator) (AMF). The registered office is 29 Boulevard Haussmann, 75009 Paris, France.

WHAT ABOUT TAX?

As provided for in Finance Act 2016, the rate of DIRT applying to the gross interest earned on the Deposit from 2021 onwards will be 33%, where applicable. Irish resident corporate investors will be taxable on any Interest earned at 25%. Tax exempt investors including Credit Unions, Religious Orders, Charities, Pensions, and Friendly Societies, will be paid gross and will not

WHERE DOES MY INVESTMENT IN THE BCP / SOCIETE GENERALE 10 YEAR DEPOSIT BOND GO?

The paragraph below displays how the investment is structured for a hypothetical €1,000,000 investor. The BCP / Societe Generale 10 Year Deposit Bond provides 100% Deposit Performance by placing 100% or €1,000,000 of your investment amount on deposit. This amount will remain at 100% or €1,000,000 throughout the 10 Year Term. This Deposit offers fixed deposit interest of 0.40% paid out at the end of years 1 and 2 and 0.40% at the end of years 3 to 10 if the Euro Stoxx 50 Index is equal to or above the initial valuation at the end of years 3 to 10. The memory feature means that if you miss an interest payment at the end of years 3 to 9, you get it back in future years as long as the Euro Stoxx 50 Index trades

at or above the Initial Level on one of the future valuation dates. BCP will receive an initial fee of 0.50% or €5,000 for the distribution, marketing and administration of the Deposit throughout the 10 Year term equivalent to 0.05% per annum. An initial fee of 0.40% or €4,000 is payable to your intermediary equivalent to 0.04% per annum for the 10 Year term; this is payable to BCP if you do not deal with us through an intermediary. No charges or fees are taken away from your Deposit or your maturity payment, and there are no annual management charges, so any returns are based upon the full amount you place into the Deposit.

NO COOLING OFF PERIOD

You have no right to cancel your application to invest in the deposit once your signed application is received by BCP. This is regardless of whether BCP has received funds at that time or not and regardless of whether the original

application has been received or it is received in electronic form. If BCP has not received funds with the application, you are obliged to send these to BCP by the closing date.

IMPORTANT NOTE: Investments will be held by the Bank as deposits in the name of BCP. In the event of any failure by the Bank to meet its liabilities, as investors are not customers of the Bank, BCP will seek the return of funds on behalf of investors. Investors must deal directly with BCP in this instance.

Warning: If you invest in this product you will not have any access to your money for 10 Years. Warning: The Deposit Interest at the end of years 3 to 10 is not guaranteed; any payment will depend on the performance of the Index. Warning: If Societe Generale were to default, you could lose some or all of your investment and potential interest.

WHAT ARE THE RISKS INVOLVED IN THE DEPOSIT BOND?

COUNTERPARTY/ CREDIT RISK

Your capital is exposed to the credit risk of Societe Generale. In the event that Societe Generale fails to meet its liabilities, you could lose some or all of

your money. The Deposit is not covered by the Deposit Guarantee Scheme (DGS). Credit Unions do not benefit from the DGS.

CONCENTRATION RISK

money you have available for investment into any one product, or with any one counterparty.

External factors could affect national economies, regions or future performance of the Euro Stoxx 50 Index may be less than zero throughout some or all of the term leading to the non-

TERMS OF BUSINESS OF BCP ASSET MANAGEMENT DAC

It is important that you read these Terms of Business carefully as they set out the terms under which the services of BCP Asset Management DAC ("BCP", "the firm", "we", "us", "our") will be provided to clients ("you").

These Terms of Business apply to clients to whom we provide advice to ("Advisory clients"), to clients for whom we only transmit their application for a product to a product provider ("Non-Advisory clients") and to clients to whom we provide other services, for example, Portfolio Management. This Terms of Business is divided into a number of parts:

Part A sets out the specific terms and conditions that will apply for our Advisory service.

Part B sets out the specific terms and conditions that will apply for our Non-Advisory service.

Part C sets out our general terms and conditions that will apply to all services.

PART A - ADVISORY SERVICE

Clients who select the Advisory service may from time to time elect to give instructions to us on a Non-Advisory basis. In such circumstances those transactions will be subject to the terms that apply to our Non-Advisory service and we will not accept responsibility or liability for the transaction.

- If you select our Advisory service we will offer you advice in relation to investments and recommend certain products or investments to you but you will always make the final investment decision. You remain fully responsible at all times for monitoring the performance, risk level and composition of your portfolio. If you do not follow any investment advice provided by us in a timely manner, we are not responsible for any potential outcomes.
- Unless you notify us of any specific investment restrictions, we will assume that no such investment restrictions apply.
- We are required to obtain certain information from you before offering Advisory services to you. This is necessary so that we can ensure that the investment advice and the products we offer to you will be suitable to you and we can act in your best interests. We will need to gather information in relation to your investment objectives, knowledge and experience, risk parameters, financial situation and capacity for loss. In order to provide this information you will be required to complete and sign a Fact Find document and return this to us. It is important that this is fully and accurately completed by you.

WARNING: Not providing the information, or providing insufficient information, will not allow us to determine whether the service or product envisaged is appropriate or suitable for you. Incomplete or inaccurate information may affect our ability to perform the suitability assessment, for example if you do not advise us of upcoming financial commitments we may recommend products which are fixed term in nature and will not provide liquidity to meet these financial commitments. Providing inaccurate, imprecise or incomplete information may cause us to recommend products or services which are not suitable for you.

- You should notify us of any change in your circumstances which may be relevant to the provision of the Advisory services to you or may impact on your investment objectives, risk parameters or financial situation. This is necessary to ensure that the services we provide remain suitable for you.
- After you have provided the required information to us we may bring suitable investment opportunities to your attention but we are under no obligation to do so.

IMPORTANT NOTE: We provide you with investment advice based on information that is available to us at the date when the advice is provided. We will request information from you regarding investments you may hold with other providers, this information is required to allow us to recommend suitable products and services for you. If you do not inform us of investments held with other providers our investment advice provided will not take account of these which could lead to your overall portfolio not matching your risk profile.

WARNING: You should be aware that the value of investments may fall as well as rise for numerous reasons including market conditions. Your capital may be at risk and you may not receive back the amount of your original investment.

PART B - non-ADVISORY SERVICE

- Where you decide to invest in new or encash existing products and receive no investment advice from us, this is known as our Non-Advisory service.
- In these cases we will not advise you about the merits of the transaction nor will we assess the suitability (and where required, the appropriateness) of the investment for you and you will not therefore benefit from the protections afforded to clients for whom we assess suitability or appropriateness. Non-complex financial instruments include deposit products and life assurance products.
- Where the Markets in Financial Instruments Directive ('MiFID') applies and you are a retail client who wishes to receive a Non-Advisory service in relation to a complex financial instrument, we will advise you at the time that the financial instrument is complex. In such circumstances, we are required to gather information from you in relation to your investment knowledge and experience and assess whether the investment service or product is appropriate for you. Should we determine that the product or service is not appropriate to you, we are obliged to warn of this fact. You may request us to continue with the transaction but we are not obliged to do so.
- Complex financial instruments means any financial instrument other than a non-complex instrument as defined in Article 57 of MiFID II Delegated Regulation. Non-complex financial instruments means a financial instrument as specified in Article 57 of MiFID II Delegated Regulation, these include certain types of Credit Linked Notes, and certain non-insurance linked property funds.

CONFLICTS OF INTEREST

It is our policy to avoid any conflict of interest when providing services to clients. We have a Conflicts of Interest Policy to manage such situations. The Policy defines what is meant by Conflict of Interest and sets out the circumstances which constitute, or may give rise to, conflicts of interest between our interests and the interests of our clients; the procedures to be followed and measures to be adopted in order to prevent or manage such conflicts; how conflicts of interest can arise; the role of senior management (to ensure that any actual or potential conflicts that may exist are kept under review on an ongoing basis and that appropriate controls exist to identify and manage any such conflicts) and how conflicts are disclosed to clients. The policy also sets out the measures in place in the firm to avoid conflicts of interest.

Where arrangements to manage such conflicts of interest are not sufficient to ensure, with reasonable confidence, that risks of damage to client interest will be prevented, we will clearly disclose the general nature and/or source of these conflicts to a client before undertaking

business on behalf of that client. However, we may decline to act in any circumstances where there is a residual risk of damage to the interests of any client. The Conflicts of Interest Policy is underpinned by procedures designed to avoid, and where the avoidance of such conflicts cannot be reasonably assured, to manage those conflicts.

We may provide or receive minor non-monetary benefits from time to time in the normal course of business, such as attendance at training, conferences or off-site meetings that may include a minor sustenance. We may also provide or receive other minor non-monetary benefits, which are aimed at enhancing the quality of service we provide to our clients. Such benefits are governed under BCP's Conflict of Interests management framework ensuring that any benefits provided or accepted are reasonable and proportionate and of a scale and nature as not to cause any risk of damage to our clients' interest.

Further details of this policy are available on request.

CLIENT ASSETS

Money held by us on your behalf will be held in a client bank account in accordance with Central Bank of Ireland Client Assets Requirements (as may be amended or replaced from time to time), separate from our own money and cannot be subject to any claim in respect of any money owed by us. No interest will be applied unless specifically agreed in writing.

We can lodge funds received in sterling to a sterling client bank account. However, for all other currencies (with the exception of Euro) where we do not have a client asset account denominated in that currency, we will convert the funds at the prevailing exchange rate and hold the funds in a Euro client bank account.

Important: Your assets may be held by us or Eligible Third Parties with other clients' assets as part of a common pool so you do not have a claim against a specific sum in a specific account; your claim is against the client assets pool in general. In the case of any such pooled client account we will ensure that such account is in the name of BCP Asset Management DAC, is designated as a client asset account and that only we are entitled to issue instructions in respect of such accounts.

In the absence of our own fraud, negligence or wilful default, we do not accept any liability in the event of default of an eligible credit institution, relevant party or eligible custodian with whom client assets are held.

PAYMENTS AND RIGHT OF SET-OFF

We will issue receipts for each payment received from you and these should be retained in a safe place.

We do not have any security interest or lien or right to set-off over client financial instruments or funds unless we advise you so in writing. Note, a depository used by the firm may have a security interest or lien over, or right of

set-off in relation to those instruments or funds.

Product producers may withdraw benefits or cover on default of any payments due under any products arranged for your benefit. Details of these provisions will be included in your product terms and conditions.

COMPLAINTS

We have written procedures in place for the effective consideration and handling of complaints and a copy of this Complaints Procedure is available on request. Any written complaint you may have should be addressed to the Compliance Officer, BCP Asset Management DAC, 71 Upper Leeson Street, Dublin D04 XK68. Where a complaint cannot be resolved within 5 business days we will issue you with an acknowledgement of its receipt by us. All complaints will be fully investigated and the outcome of the investigation

will be communicated to you within 5 days of completion of the investigation. We aim to investigate and resolve the complaint within 40 business days of having received it and provide a regular written update on progress at intervals of not less than 20 days.

If you are dissatisfied with our handling of the complaint or our response to it you may refer the issue to the Financial Services and Pensions Ombudsman (www.fspo.ie).

MONEY LAUNDERING AND TERRORIST FINANCING

We are subject to the provisions of the Criminal Justice (Money Laundering and Terrorist Financing) Act 2010, as amended. As with other professional services firms, we are under stringent requirements to identify our clients for the purposes of the anti-money laundering and combating terrorist financing legislation. We are likely to request from you, and retain, some information and documentation for these purposes and/or to make searches of appropriate databases. You are responsible for providing the information requested to us in a timely manner. If satisfactory evidence of your identity or the identity of any party connected to the proposed transaction as required by relevant legislation is not

provided within a reasonable time, we may not be able to proceed with your business transaction. We will not be responsible for any loss which may arise in these circumstances.

Directors and staff have obligations to report to the Gardaí and Revenue Commissioners where they know or have reasonable grounds to suspect a transaction may be connected with money laundering or terrorist financing. We are prohibited from discussing such reports with you because of the restrictions imposed by the tipping off provisions in the legislation. You are entering into a business relationship with us in order to avail of a service we are authorised to provide.

INVESTOR COMPENSATION

We are a member of the Investor Compensation Scheme ("ICCL") established under the Investor Compensation Act, 1998. This Act provides for the establishment of a compensation scheme and the payment, in certain circumstances, of compensation to certain clients (known as "eligible investors") of authorised investment firms, as defined in that Act.

Compensation may be payable where money or investment instruments owed or belonging to clients and held, or in the case of investment instruments, administered or managed by this firm, cannot be returned to those clients for the time being and there is no reasonable foreseeable opportunity of the firm being able to do so.

A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act. Professional clients are not eligible investors.
- If it transpires that the firm is not in a position to return client money or investment instruments owed to or belonging to the clients of the firm; and
- To the extent that the client's loss is recognised for the purposes of the Act.
- Where an entitlement to compensation is established, the compensation payable will be the lesser of:
- 90 per cent of the amount of the client's loss which is recognised for the purposes of the Investor Compensation Act 1998, or
- Compensation of up to €20,000.

JOINT APPLICANTS

If you open an account in the name of more than one person, or on behalf of a corporation or other legal entity then we will be able to act on the instruction of any one person named at the time of the application, or as subsequently advised to us in writing, unless specifically otherwise agreed with us in writing.

Where these Terms of Business refer to "client" this will mean the clients jointly and severally. If one joint holder dies, the securities will be held for the client(s) who survive(s).

If we receive instructions from any person authorised to issue them that in our view conflict with instructions received from another authorised person, we may act on the instructions

and/or advise each authorised person of the apparent conflict and/or take no action until we receive instructions that are satisfactory to us.

We are entitled to hold you joint or severally liable for any debt or charge arising out of these Terms.

When we assess suitability or appropriateness for joint applicants or non-personal entities, we will base our recommendation or our understanding of financial experience and knowledge on that applicable to the most experienced person connected with the application.

LIABILITY FOR LOSS

We and any person or company connected with us (including our or their directors, employees or agents) do not have any responsibility for any loss or loss of profit you suffer as a result of performing or not performing the firm's obligations under these terms. Any instructions you give are your responsibility and we will not be liable for any loss arising from carrying out or failing to carry out any of your

instructions or for any loss you suffer as a result of transferring any invalid or forged instrument. However, this will not exclude or restrict any obligation that we owe to you under the rules of any relevant regulatory body, or by law.

OTHER GENERAL TERMS

Additional terms and conditions will apply to individual investments made and you should carefully read and understand these in advance of making an investment ("Additional Terms"). We may also provide you with specific or general risk warnings in relation to some products or transactions. You undertake to read such risk warnings which may be set out in a Risk Warning Notice or similarly described section in the Additional Terms.

We will not have breached these terms if we fail to carry out our duties and obligations as a result of any event beyond our reasonable control, including without limitation – fire; act of Government or State; act of God; war or civil commotion; embargo; terrorism; inability to communicate with relevant third parties for whatever reason; failure of any computer system; being

prevented from using any fuel or other supplies; labour disputes; late delivery or late payment by any other person or any other reason.

If we decide not to enforce any of our rights, it will not mean we cannot enforce them in the future. The rights in these terms apply as well as any rights we and you have in law. If any of these terms are not valid or cannot be enforced it will not affect the rest of the terms and the rest of the terms will apply as if the invalid or unenforceable terms had not been included.

→ These Terms of Business are valid from March 2021 until updated. Updates will be posted on our website (www.bcp.ie) and may be posted or emailed directly to you at the last address for correspondence we have on our records for you.

Client Asset Key Information Document (CAKID)

The Client Asset Regulations (Statutory Instrument 104 of 2015 & Statutory Instrument 604 of 2017) (the “Regulations”) were issued pursuant to Section 48 of the Central Bank (Supervision and Enforcement) Act 2013.

BCP Asset Management DAC (“BCPAM”), as an investment firm regulated by the Central Bank of Ireland, must ensure that we hold client assets in accordance with the Regulations. Please consult the Central Bank of Ireland website for further information, including the Central Bank’s Guidance document, on the new Client Asset Regulations <https://www.centralbank.ie/regulation/industry-market-sectors/client-assets>

The key purpose of the Client Asset Regulations (“CAR”) is to protect the safeguarding and handling of Client Assets i.e. the funds that you place with an eligible credit institution via BCPAM. The client assets regime however cannot fully eliminate all risks relating to client assets (such as fraud and negligence). The Client Assets regime does not have an influence on the value of the client assets. Client assets mean clients funds and financial instruments. Financial instruments are defined as tradable assets of any kind, for example cash, evidence of an ownership interest in an entity, or a contractual right to receive or deliver cash or another financial instrument.

The purpose of this document is to explain to you in clear, succinct and comprehensible language the key features of the Regulations and how they impact on you.

Examples of circumstances in which assets are client assets

Cheques and other payable orders become client funds from the time we receive them. This does not include instances whereby the payment is made payable to a third party e.g. a product producer. Funds sent to a client by way of cheque or other payable order do not cease to be client funds until the cheque or other payable order is presented and paid by the eligible credit institution.

Examples of circumstances in which assets are not client assets

Where a client transfers full ownership to an investment firm for the purpose of securing or otherwise covering present or future actual or contingent or prospective obligations such client assets should no longer be regarded as belonging to the client.

The Regulations are set out under seven core Client Asset Principles, as follows;

1. Segregation

BCPAM must hold client assets separate from the firm’s own assets and maintain accounting segregation between the firm’s own assets and those assets that belong to clients.

2. Designation & Registration

BCPAM must ensure that all of its internal records and those of third parties (e.g. Eligible Credit Institutions) clearly illustrate that all client assets are clearly identifiable and separate from the firm’s own assets.

3. Reconciliation

BCPAM must keep accurate records and books to enable it at any time, and without undue delay, to provide an accurate record of the client assets being held. This covers each individual client and also the total funds held in client asset accounts.

BCPAM must reconcile their internal records with those of the third party who physically hold the client assets e.g. an Eligible Credit Institution. This is done by way of reconciling internal accounting records against a third party statement such as an eligible credit institution statement.

4. Daily Calculation

Each business day BCPAM must undertake a calculation to ensure that the sum total of all of its internal client asset accounts equate to what the third parties show on their statements. A business day is generally defined as a day eligible credit institutions in Ireland are open for business. BCPAM may, with the consent of the Central Bank, defer a Daily Calculation, for example over the Christmas period.

5. Client Disclosure and Client Consent

BCPAM must provide information to all its clients informing them how and where their client assets are held and also inform them of the resulting risks thereof.

6. Risk Management

BCPAM have put in place systems and controls to identify potential risks to client assets and relating mitigants to counteract those risks. These include a Head of Client Asset Oversight, a Compliance Officer and a Compliance and Risk Committee.

7. Client Asset Examination

BCPAM engage the services of an external audit firm to carry out a review, at least on an annual basis, and issue a report stating how the firm is adhering to the Regulations and the safeguarding of client assets.

Capital security of your funds is provided by the relevant credit institution (a 'credit institution' include an eligible credit institution holding client assets). In the event of the credit institution failing to meet its liabilities you could lose some or all of your money.

Investment Risk

All investments carry some degree of risk to your capital and the value of investments may go down as well as up. BCP brochures provide details of the principal risks to your capital and should be read in advance of making any investment. We recommend you obtain financial advice prior to investing.

How does BCP hold client funds?

BCPAM will hold client funds which are pooled with other clients' fund. Clients have a claim against the client assets pool in a specific account. Client assets will be held in a BCP Client Asset account if you invest in a BCP product. In this case the assets will be deposited with the counterparty related to the product. Depending on the product you wish to invest in, this counterparty may be outside the State. We will also hold client assets in a BCP Client Asset account if we hold deposits on your behalf pending an instruction from you with respect to those funds. Client assets are held with the relevant eligible credit institution in an account within the State, the EEA or third country. Where client funds are to be (i) passed to a third party outside the State; or/and (ii) where any lien, security interest and/or right of set-off is granted over the client's assets then BCPAM will obtain your written consent.

Client assets held overseas

Where client assets are to be held by a third party outside of Ireland, the firm will advise you of the name of the regulatory authority to which they are responsible, the regulations that the third party is subject to, any applicable risks or limitations, the basis on which that third party was selected, and whether it is related to the firm or independent of it. The firm must also confirm what investor compensation scheme applies, the arrangements that apply to the holding of client assets, the risks associated with those arrangements, and controls in place to mitigate such risks.
